Summer Fun

GENERAL INFORMATION

Redeemer Christian Academy offers a safe and fun-filled Summer Program. Redeemer has been conducting one of the best Summer Camp experiences on the West Side for over twenty years. Each Summer campers are engaged in a wide variety and well-rounded Summer Camp Program that stimulates, excites, nourishes and entertains children from the ages of TK-8th Grade. Our goal and desire is to give each camper a Summer Camp experience that is memorable and satisfying.

Summer Camp mornings consist of Academic Enrichment in Language Arts, Math and Hands-On Science. The Academic Enrichment portion of Summer Camp is designed to sustain and maintain what children have learned throughout the previous school year, as well as keep them sharp and focused for the upcoming year ahead.

Campers will also have the opportunity to cook each week, as well as be engaged in Arts and Crafts.

SPECTACULAR SUMMER CAMP MUSICAL AND MUSIC IMMERSION PROGRAM

Redeemer offers a wonderful Music Immersion Program. Each Summer the children perform an outstanding and entertaining musical with dance, special effects, costumes, and the like. Campers are given the opportunity to sing a solo or be involved in a small vocal group (duet, trio, quartet), in which they are given individual coaching to insure a great experience. Campers are also given the opportunity to be involved in drama with special costumes and props. Summer Camp Musical Performances are always a successful, life enriching, memorable and enjoyable experience for campers and parents alike.

This year's performance will once again be directed by our talented and exemplary musical director Darla Frazier. It will take place on Friday, July 20th at 6:30pm.

FUN! FUN! FUN!

Each afternoon campers will have the option and opportunity to engage in fun and enjoyable activities such as water play, board games, legos, coloring books, sports, and various other organized activities.
