***I would like to take this opportunity to "Thank" Yilun Su (Morgan's mom) with Mary Wamble's (Leia's mom) assistance for coming in and doing an art project with the fifth graders. We all appreciate and are grateful for their kindness.***

***\*DATE CHANGE: United States Map Test - Friday, 3/8***

***For the United States Map Test students will be given a blank map of the United States, and they will have to fill in the geographical location of each state. Students need to study a map of the United States each night as homework. Students always do well on this test, and I am expecting the same from this class.***

***My students' next book report is to read a Mystery. Mystery books need to be at least one hundred pages and fifth grade reading level. For their book report project students will be creating a shoebox diorama of a scene from the Mystery they have read. Along with that they are to write a paragraph depicting a scene they have created. I am requesting that the paragraph be at least five sentences. Mystery Book Report Dioramas with accompanying five sentence paragraph will be due on Wednesday, February, 20th. Students have been given thorough instructions on what the assignment entails. I look forward to awesome and creative dioramas.***

***In honor of Black History Month my students final book report will be to read a Biography about an African American. Books need to be at least 100 pages in length and at a fifth grade or above reading level. For their book report students will be given a list of visual arts projects in which they can choose from for their book report project. This assignment will be due on Friday, March 22nd.*** Please make sure your child has a book and is reading for this report as soon as they finish their Mystery Book Report Diorama.

***God bless you all and have a great week!***
