## In The Classroom

Cursive writing will take the place of in-class chapter book reading. Students will continue reading *The Mouse and the Motorcycle* as homework and prepare to write a one paragraph reflection of the book in cursive. Students should be careful with punctuation and generous with descriptions in homework log. Math includes arithmetic and introduces finding for the unknown (n). Language Arts continues parts of speech and all required uses of commas. There will be a test on Language Arts on Thursday. Bible includes chapel spirituals.

Students have seen their recorded grades in the record book. There will be one more opportunity for extra credit this weekend over the semester break. Report cards are scheduled for next week Wednesday, February 6<sup>th</sup>.
