

March 4, 2019

Dear Fourth Grade Parents,

Once again I hope all is well in each and every household. Things are moving right along this quarter. ***All-School Progress Reports will be going out on Wednesday, March 13th. Please sign and return your child's Progress Report by Monday, March 18th.***

As stated in last week's Parent Letter, throughout the year I have been assisting my fourth graders in their History Worksheets and Science Comp. Checks. In preparation for fifth grade I am planning on easing them into doing their History and Science completely independently as the quarter continues.

UPCOMING TESTS:

****Spelling Pre-Test #21 - Wednesday, 3/6 and Final Test #21 - Friday, 3/8***

****Bible Test - Luke 19-21 - Friday, 3/8***

****Math Test - Friday, 3/8***

****Science Test - Chapter #5 - Tuesday, 3/12***

****History Test - Chapter #8 - Wednesday, 3/13***

Please make sure your child studies for all upcoming tests.

For the Third Quarter my students should be reading ***Esperanza Rising***. ***Please make sure your child is reading for this book report, which will be due at the end of the quarter.*** For this quarter's book report students will be given a list of visual arts projects. Students will be given the opportunity to choose any project they would like to do for their book report from the list. I will be giving the students this list towards the middle of the quarter.

My fourth graders will be beginning their Mission Report this quarter. This is approximately a month long project. I will be introducing my students to this project in the near future, and will be sending home all pertinent information to parents. ***This is an annual coming of age fourth grade project, and I look forward to the excitement and fulfillment it will bring to my students.***

God bless you all and have a great week!

Respectfully Yours,

*Alison Bradshaw, M.A.
Fourth Grade Teacher*
