

March 4, 2019

Dear Fifth Grade Parents,

I hope all is well in each and every household. I have collected four State Report pages thus far. I am quite impressed with the pages I have collected. ***I will be collecting another four State Report pages this Friday, March 8th. I have been talking with my students about the importance of completing each State Report page as thoroughly and with as much detail as possible. I have discussed with students the importance of complete research and effort in regards to every State Report page. This is once again one more reason why I do not want them to complete more than four pages a week. I also do not want them to wait until the last minute to complete their State Report pages. I do not want any “rushing through” on any State Report page.*** I appreciate your support by encouraging your children to put great effort into every page.

All School Progress Reports will go home on Wednesday, March 13th. Please sign and return by Monday, March 18th.

UPCOMING TESTS:

****Spelling Pre-Test #21 - Wednesday, 3/6 and Final Test - Friday, 3/8***

****Bible Test - Luke 19-21 - Friday, 3/8***

****Math Test - Friday, 3/8***

****US MAP TEST - FRIDAY, 3/8***

****History Test - Our Nation Grows - Tuesday, 3/12***

****Language Test - Modifiers - Thursday, 3/14***

In honor of Black History Month fifth graders will be reading a biography or autobiography of an African American for their next book report. Students were given a list of projects they could choose from for this important book report. I have gone over every option with my students, and have asked them to think about which project they would like to do. I am looking forward to various ways in which my students choose to depict the famous African American they are reading about. Friday, March 23rd my students Black History (Biography or Autobiography) Book Report projects and presentations are due. As stated, there will be no further book reports, due to the reading and research involved in their State Reports.

Excellent States and Capitals Tests and United States Map Tests will be displayed at Open House in May. I have shown each student their grade on these tests. I am very proud and impressed with those students who did well.

God bless you all and have a great week!

Respectfully Yours,

***Alison Bradshaw, M.A.
Fifth Grade Teacher***
